**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local internet provider, and find them to provide exemplary service. I am also happy to see my money spent in the local community. I oppose the US Telecom petition and want more competition, not less among broadband carriers. Please allow my local provider to continue to rent spare fibers (unbundled network elements) and continue to provide the individualized local service I value.
